

MAHMOUD ABOELNAGA

WEB DEVELOPER

INTRODUCTION

I am Mahmoud Abu El-Naga, 20, a student in the third department of information systems at the Higher Institute of Obour of Management, Computer and Information Systems, with a very good degree. I am a minor in web development I have a vision in both foreground and background, I would grow this vision by working in many companies to increase their experiences. Now I develop myself to meet the needs of the market.
My strong suits are conceptual thinking and analytical thinking.
